Roquefort on bread  
with a drizzle of honey  
an afternoon snack

A city asleep  
sun rises on the lake  
pig as an ocean

Tortilla and cheese  
Rolled up and microwaved  
Too tired to cook

Rain washes away  
All of the hope that I had  
For a better world

Tiny particles  
Like sand in an oyster shell  
Form clouds in the sky

A man and his pig  
Find truffles in the forest  
She is his best friend
