

# 2023 11 Haiku

charity  
a PR tax scam  
billionaire philanthropy  
a show of power

stalking  
unanswered emails  
an endless stream of phone calls  
blocked and reported

awake  
roll over in bed  
alleviate one pain but  
create another

Whale Song  
acoustic network  
low frequency messages  
move through the ocean

bubbles  
tiny globe of soap  
a reflection in rainbow  
floats on a light breeze

immortalize  
even the most famous  
will also be forgotten  
everything crumbles
