fox
fox in the backyard
dragging its butt on the grass
like dogs on the rug

siren
a loud wailing sound
first Saturday of the month
this is just a test

DTE
hundreds of dollars
food has all been thrown away
days without power

Endoparasitoid
chest impregnated
didn't follow quarantine
burst out of body

freeze
water in the cracks
freezes and expands concrete
pot hole gets bigger

quilt
scraps of old fabric
stitched together carefully
blanket on a bed
