Winter Solstice
just as it begins
time shifts the other way round
shortest to longest

fountain
no running water
tap turned off for the season
avoid freezing pipes

heron
sitting motionless
a flutter under water
beak used as a spear

wilderness
first laws to protect
all the flora and fauna
Ashoka Edicts

getting my shit together
all I need is just
like twenty-two more baskets
to be organized

PTSD
an alarm bell rings
a sign that something is wrong
dysregulation
